## Do you need our help?

Islay Resilience and Support is here to help everyone in the community get through this Covid-19 pandemic. We are here to support all families from early pregnancy, households of all ages, the over 75s and people with underlying health issues.

### We can help with:

- **Deliver Hand Sanitiser to isolating households;**
- **A Hot Meals Service twice a week for people shielding.**

Please speak to your local coordinator to set this up - contact details are on the back page for each area.

- **Delivery of a food/essentials Welfare Box for all ages of people isolating and experiencing hardship.**
